Discussion

Financial report: With additional revenue at the end of the year, do we have plans to put that in a GIC or something? Cash consists of \$336K Some of this money is going towards grants (\$90K). Board needs to figure out what to do with this money. Action plan needed in the near future.

Strategic Implementation Plan should be discussed at every board meeting.

Do we have a list of those we already have strategic partnerships with? Can be created to help measure success.

Action Items

Treasurer and Executive Director will get in touch with WSA's banker to discuss GICs.
